Basic Information

- Place of Origin: Japan
- Brand Name: Kubota
- Model Number: KX183-3
- Minimum Order Quantity: 1Sets
- Price: Negotiation
- Packaging Details: Container,Bulk
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: About 50 units are supplied every year

Product Specification

- Fuel Tank Capacity: 115
- Condition: Used
- Swing Speed: 9.5
- Working Weight: 8350
- Max Digging Height: 7040
- Bucket Capacity: 0.31
- Rated Power: 47.8/2000
- Excavator Travel Speed:2.7/4.9
- Highlight: **Construction Used Sunward Excavator,
KX183-3 Sunward Excavator,
Sunward Second Hand Excavator Machine**

KX183-3 In 2020 With 115L Fuel Tank Capacity Used Sunward Excavator for Your Business Needs

Product Description:

The advantage of the Kubota KX183-3 excavator is its excellent digging capacity and operating performance. This model is equipped with a powerful engine and hydraulic system, which can provide efficient power and operating speed. At the same time, the excavator also has good maneuverability and operational flexibility, and can easily cope with various working conditions and small spaces. In addition, KX183-3 also adopts advanced hydraulic system and intelligent control technology to provide precise operational control and stable working status, reducing the operator's labor intensity and fatigue. In addition, the excavator also has the characteristics of solid structure, high reliability and easy maintenance, which can improve work efficiency and reduce usage costs.

Technical Parameters:

Parameter	Value
Year	2020
Brand	Kubota
Bucket Capacity	0.31 m³
Rated Power	47.8/2000 kW/rpm
Working Weight	8350 kg
Excavator Travel Speed	2.7/4.9 km/h
Max Digging Depth	4290 mm
Max Digging Height	7040 mm
Fuel Tank Capacity	115 L
Swing Speed	9.5 rpm

Applications:

The Kubota KX183-3 is a powerful and versatile excavator machine that is perfect for various construction projects. Its high digging force and excellent stability make it ideal for digging foundations, trenches, and other construction tasks. Its compact size also allows it to work in tight spaces, making it a valuable asset for any construction site.

Mining

For landscaping projects, precision and control are essential. The Kubota KX183-3's advanced hydraulic system allows for smooth and precise movements, making it perfect for tasks such as digging, grading, and leveling. Its compact size also makes it easy to maneuver in tight spaces and delicate areas, making it an ideal choice for landscaping projects.

Packing and Shipping:

Packaging

The excavator will be securely wrapped and placed in a sturdy wooden crate to protect it from any damage during transit.

All necessary parts and accessories will also be packaged separately to ensure they arrive safely.

Shipping

We offer a variety of shipping options for our customers to choose from:

Standard shipping: The excavator will be shipped via a reliable and reputable carrier, with estimated delivery time of 5-7 business days.

Expedited shipping: For urgent orders, we offer expedited shipping which will ensure the excavator arrives within 2-3 business days.

International shipping: We also offer international shipping for our customers outside of the United States. Delivery times may vary depending on the destination country.

Once your order has been shipped, we will provide you with a tracking number so you can easily track the status of your package.

If you have any special shipping requests or requirements, please contact us and we will do our best to accommodate them.

Thank you for choosing our Used Excavator Machine. We hope you are satisfied with our packaging and shipping services.
